

Thank you very much for everything!

Firstly, I almost have no words to describe this experience. I really recommend it if anyone has the opportunity to participate in this course. Wilhelmshaven is a truly beautiful city, and I felt very good staying on the boat. The trips to Bremen and Oldenburg were very fun and incredible experiences. I can't forget the mudflat hiking, sometimes it's good to get a little dirty, right?

Talking with people from other countries and learning more about their cultures was the best part of the travel. I can say that I made some Mexican, Hungarian, Moroccan, Romanian, and German friendships, of course. I believe I enjoyed everything I could, and I hope to be able to return someday.

Thank you so much for all! I loved it.
