

ENGLISCH
Jade Hochschule - Wintersemester 2023-2024

	Montag	Dienstag	Mittwoch	Donnerstag	Freitag	Samstag	
8:00							
8:15							
8:30							
8:45							
9:00							
9:15							
9:30							
9:45							
10:00							
10:15							
10:30	wireless Internet of Things (IoT) Applications Werner H415b		wireless Internet of Things (IoT) Applications L Schubert;Werner H402, H415b	Compact Modelling of Large-scale Dynamical Systems rechner. Ü/L Bechtold, T. H312			
10:45							
11:00							
11:15							
11:30							
11:45							
12:00							
12:15		Artificial intelligence El-Mihoub H410		Artificial Intelligence and Machine Learning Nolle H315b			
12:30							
12:45							
13:00							
13:15							
13:30							
13:45							
14:00							
14:15							
14:30		Artificial intelligence L Artificial Intelligence and Machine Learning El-Mihoub S107	Compact Modelling of Large-scale Dynamical Systems Bechtold, T. L217				
14:45							
15:00							Intercultural negotiations and presentations: takes place from 05.-16.2.2024 Menn
15:15							
15:30							
15:45							
16:00							
16:15	Language and engineering Paetz S423		Language and culture Paetz S423				
16:30							
16:45							
17:00							
17:15							
17:30							
17:45	Language and culture Paetz S423		Language and engineering Paetz S423				
18:00							
18:15							
18:30							
18:45							
19:00							
19:15							
19:30							
19:45							
20:00							
20:15							
20:30							
20:45							
21:00							
21:15							
21:30							
21:45
